## COVID-19 Alert Notification

### Press Release/Public Notification

### COVID-19 Response Update

Peach Springs, Arizona

Hualapai Tribe

**May 23, 2022**

This Press Release is to inform the public that COVID-19 cases are active in the community and currently have NO Community Spread as monitored by Public Health Officials.

The Hualapai Community COVID-19 cases have remained at its lowest standards over a thirty-day period from early March to late May. The COVID-19 virus remains active worldwide, which includes, locally and surrounding communities throughout our State. COVID-19 Cases on the Hualapai Nation are present and active but should not cause alarm at this time.

**The Color Coding Alert system will remain suspended UNTIL the need for it is required again.**

The Color Code Alert System has been temporarily suspended as of March 21, 2022 and has been replaced with a campaign effort of educating our community members to stay vigilant with all health and safety precautionary measures and understand the COVID-19 virus is still amongst us throughout our State and worldwide. COVID-19 cases will continue to be monitored by the Hualapai COVID-19 Response Team and Public Health Officials. In the event it is determined that the COVID-19 Virus is at a level considered to be widespread, the Color Code Alert System will once again be activated.

*This is what you and your family need to know:*
